

HIGH SCHOOL

REGISTER TODAY!

DESIGN COMPETITION

1

JOIN

Register on your own or form a team of 2-6, then receive **briefing materials on March 1** and get started!

2

LEARN

Work at your own pace and **hear from experts** in biomedical engineering and global health

3

CREATE

Develop a solution to one of our challenges and submit it for judging for a chance to win a cash prize!

Join EWH for an exciting biomedical engineering challenge!

During this two-month self-led project, you'll learn about low-resource engineering and work to develop **real solutions** to improve healthcare delivery around the world.

ENTRY JUST \$20 / STUDENT!

LEARN MORE & REGISTER BY MARCH 1!
